

PATIENT INFORMATION LEAFLET

**PROPRIETARY NAME
(and dosage form):**
CELLFOOD® LIQUID

SCHEDULING STATUS:
Not scheduled.

WHAT THIS PRODUCT CONTAINS:
Each 8 drops contain 326mg **CELLFOOD®** made up of a proprietary blend consisting of plant sourced Calcium, Copper, Iron, Magnesium, Manganese, Phosphorous, Potassium, Sulfur, Zinc, Silicon, Liquid Seaweed (Lithothamnium Calcareum) and Purified Water.

WHAT CELLFOOD® LIQUID IS USED FOR
CELLFOOD® is the leading oxygen mineral supplement formulation that oxygenates, energises, cleanses and nourishes your systems throughout the day.

CELLFOOD® has been marketed for over 50 years and is currently available in over 90 countries worldwide.

CELLFOOD® is available at selected pharmacies countrywide as well as certain health shops.

NOTE:
PLEASE READ THE FOLLOWING INSTRUCTIONS BEFORE TAKING THIS MEDICINE:

Always tell your health care professional if you are taking any other medicine.

Do not share medicines prescribed for you with any other person.

Not all side-effects for this medicine are included in this Package Insert. Should your general health worsen or if you experience any untoward effects while taking this medicine, please consult your doctor, pharmacist or health care professional for advice.

INTERACTIONS
CELLFOOD® can be used in conjunction with other preparations, supplements or medicines.

CONTRA-INDICATIONS
None known.

PRECAUTIONS AND WARNINGS
Avoid eye contact.
Always tell your health care professional if you are taking any other medicine. Organic enzymes in **CELLFOOD®** can damage clothing, stain counter tops and other surfaces.

This medicine has not been evaluated by the Medicine Control Council. This medicine is not intended to diagnose, treat, cure or prevent any disease.

PREGNANCY AND LACTATION
Safety of use has not been established. If you are pregnant or breast feeding your baby please consult your doctor, pharmacist or other health care professional for advice before taking **CELLFOOD®**.

**HOW TO TAKE CELLFOOD®-
DOSAGE AND DIRECTIONS
FOR USE**
Adults - Start with 3 drops 3 times a day. Gradually increase the daily dosage until you are taking 24 drops per day i.e. 8 drops 3 times a day in approximately 200ml of purified water, red grape or carrot juice. Take before meals for best absorption.

Children - 1 Drop daily per year of age.
If purified water is unavailable, normal tap water can be used to take the mixture as soon as possible.

Alternatively mix 24 drops in 600ml purified water, red grape or carrot juice and drink as desired during the day.

Do not gargle the mixture or hold in your mouth as tooth sensitivity may occur. No refrigeration required.

For more severe health conditions, additional **CELLFOOD®** can be taken in need. Sufficient quantity for 30 days.

SIDE EFFECTS
There are no side effects.
If mild detoxification symptoms result i.e. more frequent bowel movement and urination, nausea, headaches, mucus discharge, etc., reduce dosage temporarily.

This process of detoxification is also called a "Healing Crises" which should not persist for more than a few days after commencing the use of **CELLFOOD®**.

POTENTIAL ALLERGENS
None

IDENTIFICATION & PRESENTATION
CELLFOOD® is a clear liquid with a sour, lemon taste and comes in a 29ml white dropper bottle in a box which also contains this Package Insert as well as a Patient Information Leaflet.

CELLFOOD® purchased from Pharmacies or Health Shops are also packaged in a blister pack intended to reduce pilferage.

STORAGE INSTRUCTIONS
KEEP OUT OF THE REACH OF CHILDREN.

Store below 25°C before and after opening as well as out of direct sunlight away from appliances emitting radiation or electromagnetic currents.

DATE OF PUBLICATION OF THIS PATIENT INFORMATION LEAFLET
February 2014
